It occurred to me you might be broken
Like a sinking ship or a car
Yes, it dawned on me you might be damaged
Goods won't get very far
It occurred to me you might be injured
'Cause my dress was stained from your touch
And it dawned on me we've never kissed this hard
Never tickled this much

Will you stay
Will you stay in my arms
Will you stay
Will you stay in my arms

Well, it dawned on me you might be broken
'Cause your eyes seem weary and bright
And you made me wish I could be miles away
You held me too tight
Well, it dawned on me you might be broken
'Cause your skin was cold to the touch
And it dawned on me there will be other nights
That won't twinkle this much

Will you stay
Will you stay in my arms
Will you stay
Will you stay in my arms

Will you stay
Will you stay in my arms
Will you stay
Will you stay in my arms

Will you stay
Will you stay in my arms
Will you stay
Will you stay in my arms

If I say it's now or never
Will you hang around forever
Will you make me feel like lovers do

Will you write a thousand letters
Will you have me feeling better
Will you make my broken words come true
