How many times
Can I explain?
It's as if I never knew you at all.
Make me forget,
Now and again,
I was not around to soften your fall.

So I will run
'Cause that is all I know,
I'll leave a note
In case it soothes the blow.
Although you'll feel
A little sting at first,
It's always better
When the bubble bursts.

Made you believe
I was ok,
With a million dollar smile just in case.
I was your girl,
In all the way,
Such a wonderful and treacherous face.
With a million dollar smile just in case.

So I will run
'Cause that is all I know,
I'll leave a note
In case it soothes the blow.
Although you'll feel
A little sting at first,
It's always better
When the bubble bursts.

With a million dollar smile just in case.

So I will run
'Cause that is all I know,
I'll leave a note
In case it soothes the blow.
Although you'll feel
A little sting at first,
It's always better

When the bubble bursts,
It's always better
When the bubble bursts,
It's always better
When the bubble bursts.
