I call you to say I am sorry
I fall in love too easily
And you are far behind

I call you to say I am leaving
Though I was loving yesterday
He's always on my mind

Sad eyes, his bad lies
And multi-coloured aeroplanes
They're always passing by

Sad faces, cool space
And sun and moon and stars
And every pretty pretty sky

Corus:
He's got everything
Yeah, he's got everything
Yeah, he's got everything
Yeah, he's got everything - I want

I call you coz that is so easy
The last thing I would do right now
Is look you in the eyes

I call you although it is cheesy
You know the thing I hate the most
Is very long goodbyes

Sad eyes, his bad lies
And multi-coloured aeroplanes
They're always passing by

Sad faces, cool space
And sun and moon and stars
And every pretty pretty sky

Corus

Pretty pretty pretty pretty eyes

Pretty pretty pretty pretty lies
Pretty pretty pretty pretty smile
Pretty pretty pretty pretty - pretty for a while

Sad faces, cool space
And sun and moon and stars
And every pretty pretty sky

Corus x 2
