So you think you've found yourself the girl
You want to spend your life with?

How come that girl's got my eyes and my curls?
And how come I never was asked?

Coz I've been trying desperately to give you all the
clues
But if you stay asleep like this it won't be any use.

Coz I've been trying desperately to give you all the
clues
But if you stay asleep like this it won't be any use.

Chorus:

Coz I'm sorta very slowly getting out
Coz I think I finally know what you're about

Yes I'm very slowly getting out
And I think I finally know what you're about

So you think you've found yourself the girl
Who wants to hear you stories?

They are probably great but you told them too late
And I've got a few of my own

Coz I've been trying desperately to give you all the
clues
But if you stay asleep like this it won't be any use

Coz I've been trying desperately to give you all the
clues
But if you stay asleep like this it won't be any use

Chorus:

Coz I'm sorta very slowly getting out
Coz I think I finally know what you're about

Yes I'm sorta very slowly getting out
And I think I finally know what you're about

(Interlude)

Coz I'm sorta very slowly getting out (x 2)

And I think I finally know

Coz I'm sorta very slowly getting out

And I think I finally know
