If you wanna live inside my head  
Wanna see what i have said  
I will make you tremble  
Youll tremble  
Its fine with me  
If you wanna scream outside my door  
Ill make you holler even more  
I will make you sorry  
So sorry  
Its fine with me  
(bridge)  
I will make you undertsand forever  
Ill make everybody disappear  
I will make you hold my hand forever  
Till i am standing clear  
(chorus)  
Magical  
Mystical  
Lifes a ball  
Never had a girl like you  
Insecure  
Give me more  
Not so sure  
Never had a girl like you  
Starry eyed  
Clarified  
Over lied  
Never had a girl like you  
(verse two)  
I will make you sacrifice the lot  
Once you see  
What I have got  
I can be deceitful, deceitful  
It's fine with me  
I will make you get inside my car  
Then I'll drive you very far  
I can make you breathless  
So breathless  
It's fine with me  
(bridge)  
(chorus)  
(speech: english version)

You know I'm watching you  
That's all I ever do  
Your hands, your hair  
You're everywhere I see  
You know I am watching you  
Just trying to see through  
Those crazy words  
You keep on serving me  
(bridge)  
(chorus x2)  
(speech: french version)  
Tu sais que je te vois  
Je fais ca tout le temps  
Tes main, (tes) cheveux  
Tu es partout, toujours  
Tu sais que je te vois  
Je tente de reveller  
Le mots bizzares  
Que tu veux me donner  
(bridge)  
(chorus till fade..)
