He is sweet
He talks sweetly
He can make a girl lose her mind completely
He is smooth
He will charm you
Twirl around his finger, false alarm you

If you buy the blue one, honey
You'll get one for free
If you choose the red one, sugar
That is what I'll be

He is smooth
He will thrill you
Melt like ground in water, he will chill you
He is rude
Will be ruder
Right up in your face, the big intruder

If you buy the blue one, honey
You'll get one for free
If you choose the red one, sugar
That is what I'll be
If you make this happen, darling
That will turn me on
If you use your credit card then
Sure we'll have some fun

If you buy the blue one, honey
You'll get one for free
If you choose the red one, sugar
That is what I'll be
If you make this happen, darling
That will turn me on
If you use your credit card then
Sure we'll have some fun

If you buy the blue one, honey
You'll get one for free
If you choose the red one, sugar
That is what I'll be

If you make this happen, darling
That will turn me on
If you use your credit card then
Sure we'll have some fun
