I will wake up every night  
Just in case and for no reason  
It takes one to make things right  
Innocence is out of season  
If diamonds are forever

I will buy you fairy lights  
Fairy lights will make you soften  
Trying hard to get this right  
Should have held you close more often  
So easy to be clever  
So easy to be clever, no

That is what I'd do if you were mine  
I would keep you spared until the end of time  
That is what I'd do if you were mine  
I would keep you spared until the end of time

Sometimes I will let you go  
That's the way to win you over  
Saying yes when meaning no  
I am ready, down and covered  
If diamonds are forever

I would buy you fairy lights  
Fairy lights will break you gently  
It takes two to win a fight  
Softened every blow you've sent me  
So easy to say never  
So easy to say never, no

That is what I'd do if you were mine  
Sugarcoat my kisses till you're feeling fine  
That is what I'd do if you were mine  
Sugarcoat my kisses till you're feeling fine

That is what I'd do if you were mine  
I would keep you spared until the end of time  
That is what I'd do if you were mine  
Sugarcoat my kisses till you're feeling fine
