(It's a dirty game, such a dirty game
It's a mindgame, a dirty mindgame)

You played it cool, you made the rules
You tried so hard to take control of my twisted mind
But there's no use, you're gonna lose
I won't be spellbound by you charming enchanting
lies
Trying to stab me from behind
(It's a dirty trick)
And now my sweet revenge you'll find
Oh oh when I'm

Chorus:

Kicking you out, out in the night
Knocking you down, ready to fight
Gotta believe, better believe
that this world ain't big enough for both of us
I'm kicking you out, out in the night
Knocking you down, ready to fight
Gotta believe, better believe
that this world ain't big enough for both of us no more

Its all a game, cold sweat and pain
So say you're prayer cause there's no mercy for
humble souls
And in the end, no ones your friend
The table's turned, you stand alone when the verdict
falls
And the winner takes it all
(Its a dirty game),
so will you stumble will you fall
oh oh when I'm

Chorus

(Its all a game
You made the rules
So say your prayer
You're gonna loose
You stand alone
The verdict falls

The winnerÂ...takes it all)

Chorus
