Baby makes me bleed
Honey makes me sweat
Makes me do all the things that I've forsaken
Baby makes me fly
Makes me wonder why
I am abandon this sweet intoxication

I'm glad to go
Fast
Rollercoaster slow

Baby, baby, kiss me harder
Baby, baby, make it longer
Honey, I will let you take me for a ride
Baby, baby, make me weaker
Don't you ever make me wiser
Honey, snap your finger, I'll be by your side

I will let it slide
Yeah, I'll let it slide
I will wiggle my way around starvation
Wrapped around your wrist
That is what I missed
So remember this crazy elevation

I'm glad to go
Fast
Rollercoaster slow

Baby, baby, kiss me harder
Baby, baby, make it longer
Honey, I will let you take me for a ride
Baby, baby, make me weaker
Don't you ever make me wiser
Honey, snap your finger, I'll be by your side

I'm glad to go
Fast
I mean, rollercoaster slow

Baby, baby, kiss me harder

Baby, baby, make it longer
Honey, I will let you take me for a ride
Baby, baby, make me weaker
Don't you ever make me wiser
Honey, snap your finger, I'll be by your side

Baby, baby, kiss me harder
Baby, baby, make it longer
Honey, I will let you take me for a ride
Baby, baby, make me weaker
Don't you ever make me wiser
Honey, snap your finger, I'll be by your side
