Are we still on for this evening
Can I bring him he's been good so far
We've been talking without fighting
It's a strange thing
It was in his car
And now we're just flying
-course-
(wild)Wild kisses
Strange misses
Baby you don't have to be
Good for me
(fast) Fast sinking
Quick thinking
Baby you don't have to be
Good for me
He's a nice boy
When you know him
But get's scary when he's up to close
He just want's my friends to like him
Like I like him
Stupid I suppose
And now we're just driving
-course-
(wild)Wild kisses
Strange misses
Baby you don't have to be
Good for me
(fast) Fast sinking
Quick thinking
Baby you don't have to be
Good for me
I wont say a word now
I will stay unheard
I can't think why he's making this last
I wont say a word now
I will stay unheard
I can't think cus he's driving so fast
So fast
Yeah now we are flying
-course-(x4 fades out)
(wild)Wild kisses
Strange misses

Baby you don't have to be
Good for me
(fast) Fast sinking
Quick thinking
Baby you don't have to be
Good for me
