Flash cut the sky  
When I climb up  
When destiny leads me

At my wander peak  
Stone covered by moss  
Shows written mystic sign

Black father symbol  
Turned cross  
Now I know I'm with him  
Wisdom power and black  
Symbols your power  
Till to the end  
I will adore it

Now I see  
Only war  
Fear it!  
Christians believers!

Let's up our banners  
Of black velvet  
With painted six six six

Sound of thousand hammers  
From darkness forge  
Where they forge our swords

Bells of anxiety ring  
Carries fright  
Army of HELL is closed

All regrets will be buried  
Will no forgive  
The time of clever, right of violence

In great Pentagram I'm standing  
Shaping my mighty sword  
Bring are my black brother  
Ready to give their life  
Waiting for bloody

I'm looking to the north  
And in a battle massacre  
I spot a sword  
Christian's blood

For glory of Satan !!!
