

Beside Me "Bleeding Hearts"

Visit "[Bleeding Hearts](#)" on [MotoLyrics.com](#)

Waking up from another dream about you and me
I have to pinch myself to know I'm still alive
You kill me so slowly
Without taking a breath I will fall asleep

I feel like I am drowning in all these tears
I feel like sufficating after all these years
I don't want to fade away
I don't want to become another memory
Waking up without you is the hardest thing to do
I feel like I don't have any insides
I slowly die, then I look up at the sky
And ask "why do I feel like this?"

I'm bleeding internally
I'm bleeding save me
I'm bleeding internally
I'm bleeding kill me
