Visit "[Oh You Know](#)" on MotoLyrics.com

I want to be the one hold you when you fall asleep
And i want to be the one to be with you when you need
comforting
And i want to be the one to grow old with you
And i want to be the one to take care of you because i
love you

And you know that this is true
And i hope you feel this way too
And i know your the one for me
And i hope im the one for you
Because i love you so much
And i know you love me too
And so, So it seems... Your the girl of my dreams..
And so, Dont wake me up unless your here with me
Just let me dream

And you know my love is true
And i know you love me too
And i know your the one for me
And i know im the one for you
Oh, you know..
