Gotta go out again  
No not tonight again  
I'll let you know  
I assure you

Give me a moment  
Some faith and a moment  
If you want to hold me  
I'll let you

Where are those tears coming from?  
Held down in the well  
That spring forth like children  
Who live for the summer

They lie in the marigolds  
Then fly underground  
Subscribe to the merrigolds  
Imbided with the lightest sounds

Let me dream again  
Let me dream on

Where did our beauty go?  
That's right you told me so  
How hard you tried me  
To keep it

Love is invincible  
Love's indestructable  
What made you think  
You might cheat it?

Where are those tears coming from?  
Held down in the well  
That spring forth like children  
Who live for the summer

They lie in the marigolds  
Then fly underground  
Subscribe to the merrigolds  
Imbided with the lightest sounds

Let me dream again  
Let me dream on (repeat)
