Leave the youth just as they are  
For example, take our Nigel and Fiona  
It's their anniversary  
How's this for a plan ?

First, a shower after work  
Nigel's had it, he could throw  
Away his mobile - all he does is slave away  
But those bastards are never satisfied

She waits at home  
Magazines ring Fiona  
She sells their space by phone  
What she would really do is design  
Maybe in time...

When you're not in a hurry  
When you're cool on your own  
When today's good as any  
Then you're ready for love

When their words never hurt you  
When their words only help  
Bring you home to yourself  
Then you're ready for love

Next our couple wines and dines  
Plus it's Friday - almost every Friday's  
Curry - they will barely fight tonight  
Just gifts and a kiss

Neil is standing in the queue  
With the pills - for pills their  
Neil is brilliant - sometimes with  
A few to spare  
So he sells  
What harm can pleasure do ?!

You check that sound ?  
Any club ? No, the Desden'!  
Their dj's in from Leeds and  
They knew him before he was big

Oh yes they did!

Chorus

Their minds are high  
Plus the sea is a dance floor  
Fiona loves to move - Nigel watches  
Her close from afar

Love hits us hard...
