Different shapes of people
Shaping their kinds of words
To say the same thing
Aching to wall with our backs straight
No matter how many times
You think you're ready...
I thing it'd be really good
If I could...be honest with you
Instead of acting like
In this I'm pleased
But I'm busy
Putting myself so far behind you
Instead of hanging right here
In the lead
Who said I wouldn't want to ?
Different shades of love
Searching any kind of love
To know the one love
Aching to lie on our backs straight
No matter...
Darling, I think it'd be
Searching any kind of love
To know the one love
Aching to lie on our backs straight
No matter...
Darling, I think it'd be
Really good if we could
Keep on doing what we're doing
My new friend, exact, indeed
Cause in the moment it's giving
Everything we own
Somehow in the next
I'm freed
Who said I wouldn't want you ?
Who said ?
