I watch the shadows fall upon your face  
Beautiful angel sent out of grace  
Let me hear your thoughts without a sound  
You're my survival, you lift me up when I fall down

You breathed life into this hallow heart of mine  
Your love it sets me free from all this built up misery  
You help me see a different truth when I'm down on my  
knees  
Lord Please, let me keep this fallen angel you sent to  
me

So many empty nights passed by before your touch  
Too many teardrops fell, they drowned out my  
thoughts  
My sky was always gray and rain fell from the stars  
above  
Until you kissed my lips, then you showed me real love

You breathed life into this hallow heart of mine  
Your love it sets me free from all this built up misery  
You help me see a different truth when I'm down on my  
knees  
Lord Please, let me keep this fallen angel you sent to  
me

Well you showed me how to smile again  
How to live out loud, don't fear the end  
Well you know my heart, you know my soul  
So this is love now I know

You breathed life into this hallow heart of mine  
Your love it sets me free from all this built up misery  
You help me see a different truth when I'm down on my  
knees  
Lord Please, let me keep this fallen angel you sent to  
me

Ooooooh Ooooooh Ooooooh
