Cant paint my nails pink  
Cause I bite them all down  
Gotta keep it quiet  
I cant make a sound

I dye my hair black  
Cause my mothers a blond  
She doesnt know it but soon Ill be gone

Ive gotta little suitcase  
Full of my dreams  
Im gonna think hard  
Of the person I could be  
Ive gotta a kinda steam train  
Waiting there for me  
I better run fast  
Before it leaves

I look so strange now  
Not like myself  
This little piggy  
Is going to hell  
I dont know nobody I trust enough to tell  
He said hed kill me and Im sure that he will

Ive gotta little suitcase

Full of my dreams  
Im gonna think hard  
Of the person I could be  
Ive gotta a kinda steam train  
Waiting there for me  
Wed better run fast  
Before it leaves

Ive packed my bags now in my mind  
I wont look back now  
Theyll be so far behind  
Worry about my sister  
Shes so young and hes so strong  
Think that when I leave here Ill take her along

Ive gotta little suitcase  
Full of my dreams  
Im gonna think hard  
Of the person I could be  
Ive gotta a kinda steam train  
Waiting there for me  
Wed better run fast  
Before it leaves  
Before it leaves
