[Chorus 2x]

Woooo walk that walk

Wooooo, forever give it to ya raw  
Woooo, preaching this concrete law

[Backbone]

I scream shawty, I come through work and everytime  
Talkin 'bout like one, two, five  
go down to all dimes  
What you know about that, I walk a mile in four seconds  
flat  
Keep an automatic piece and put 'em on their backs  
boka, boka, boka, that's what they hearin' holla  
see that dirty dolla'  
it keep alotta niggas filthy rich, my lil thuggish buddy  
he turn to the lic'  
tell the slick partna go get em, people hit him in the  
mouth  
we gon get em (get em), dirty dirty don't eva doubt dis  
any way you wanna handle lis, see we can handle lis  
I heard them boys talkin something 'bout some  
gangsta shit  
don't over spoke yaself, just work ya clientale  
I walk the sidewalk, and what this shit sale it self

[Chorus 2x]

We ride glassed up cheveletes  
up and down the same road every day  
leave 'em all stuck like what he say  
If you bump and a jump, if it ain't but a buck a day  
lil buddy ya hear me see  
this game ain't about who come up quick  
cuz even on the slow role, it's money to get  
slick, when ya spot get a lil too hot to hold  
make sho you got ammo, and if not the four  
even though when I smoke, it's like a hundred of them  
thangs  
wit a boe tie, I kill em with the slang  
if it's in the game, it's in the game, every time  
same thang, keep the change

[Chorus 2x]

what's up, what's happenin, what it is whatcha say  
I spit that high potisy, tom bout that pure ok?  
you see this shit is natural, only quote the facts  
my partna drop the whole thang, I seen him bring it  
back  
I make them suckers show their face, now what you  
workin wit  
come through your town talk a thousand dollors worth  
of shit  
You know dem days, it's in the scarfs  
one night I got locked up in the yard  
they drop the charge, shake em shawty  
I tell the story on the loose leafs  
learnt my lesson, I watch the game jump judy,  
understandin me?  
I spoke the law, that dere is money back if you keep  
them thangs chunckin  
you'll keep em comin backk (back)

[Chorus fading out]
