When men
Stood up and left
The looked down toward Sodom
Abraham walked among them to see them
On their way.

Shall I hide from him?
What am I supposed to do?
Become the father of all nations.

This is my way, God
All nations on earth will be blessed through Him
Be this way, for Him, be right and just
And the Lord will bring all the light on their way.

Then the Lord said "son"
Will You kill the righteous with the wicked?
Then the Lord screamed "son"
And tell me why would You do such a thing?

Abraham
All nations on earth will be blessed through you
Abraham
With your hand you'll bless a new land
If not I will know.

Can't your hear the voice of my Lord
When He swears to give us a chance?
Can't you hear the voice from the sinner
When he asks to be blessed through the sky?

What if there were fifty righteous people in this city?
Would You sweep them away and didn't spare this
place, for sake.

Show me what is right and just
Show me peace through your eyes
Could I pray for them? And forgive all their sins.

Then the Lord said "son"
Will You kill the righteous with the wicked?

Then the Lord screamed "son"
And tell me why would You do such a thing?

This is my way, God
All nations on earth will be blessed through Him
Be this way, for Him, be right and just
And the Lord will bring all the light on their way.

Go walk through the land
Go breath of the land
This promised earth
I will give it to you.

And God has said
If I find fifty righteous people
In the city of Sodom
I will spare the whole place for their sake.
