They can't see me peering outward through the window
pane
Heart is beating, glass is fogging, breath inside
escapes
Can you hear me? Thoughts are creeping from my
mouth in vain
Pull the handle
Heed the Flashes
God I love this place

CHORUS

Fate has shined upon my brow
Fate has shined upon my brow

Line of heartbeats on the pavement, tears roll down a
face
Rocks are cracking under pressure, left to right....now
stay
Lips are moving. Looking through them, Chardonnay in
hand
Part the masses
Swallow harder
Take your place and stand

CHORUS

Fate has shined upon my brow
Fate has shined upon my brow

They can't see me peering outward through the window
pane
Heart is beating, glass is fogging, breath inside
escapes
Can you hear me? Thoughts are creeping from my
mouth in vain
Pull the handle
Heed the Flashes
God I love this place

CHORUS

Fate has shined upon my brow
Fate has shined upon my brow

La la la, la la la la la la la
La la la la la la la laaaaa
