Your touch  
My skin quivers letting down my guard  
Who knew giving in would ever be this hard  
Cause I can't go on pretending you are nothing more  
Than one night, heeeyyyy

Heart stops  
Pretend not to see you and slowly walk away  
Eyes lock  
Crowds I won't push through, tell me and I'll stay  
Cause I can't go on pretending you are nothing more  
Than one night, heeeyyy

#### CHORUS

We just can't go right back to how it used to be  
I see you look at me  
You want it, I want it...ah haa hahahaha  
Just look into my eyes and tell me what you see...  
How 'bout another try....aaaaayyyyyyyyyyy

Lips lock  
Feels like the first time, two in one collide  
Awestruck  
Love only part time, terror is sublime  
Cause I won't go on pretending that you are nothing  
more  
Than one night, heeeyyy

#### CHORUS

We just can't go right back to how it used to be  
I see you look at me  
You want it, I want it...ah haa hahahaha  
Just look into my eyes and tell me what you see...  
How 'bout another try....aaaaayyyyyyyyyyy

#### BRIDGE

Oh oh oh, oh, oh oooohhh, oh oh  
Hey ey, heey ey, ayyyyyyyyyy

#### CHORUS

We just can't go right back to how it used to be  
I see you look at me

You want it, I want it...ah haa hahahaha  
Just look into my eyes and tell me what you see...  
How 'bout another try...aaaaayyyyyyyyyy ah haaa  
hahahahaha
