Backstage to a hurricane
My dream is teared apart
My love has left me
On the stage feeling upset
When I'm Backstage, I feel happy

Just knowing how different things can be
Sounding like there's a cat in my life
Backstage is pretty good
Finding out what my life is really about

Chorus: I feel happy when I'm Backstage
In a while, I'm backstage now!
My life needs to be beyond my love
Feeling happy backstage!

Instrumental

Bridge: Now I'm telling you darlin'.
Find my love
Find my dreams

Find my life for me
I'm so sad

Instrumental

Chorus: I feel happy when I'm Backstage
In a while, I'm Backstage
My life needs to be beyond my love
Feeling happy backstage

My life is a real hurricane
Sitting around doing nothing
Getting pulled out to the stage
I feel like I never get time on my own

Chorus: I feel happy when I'm Backstage
In a while, I'm backstage
My life needs to be beyond my love
Feeling happy backstage
