So vikki Eydie is not going to make it through the
techno age, well which of us will? I dont no the a VCR
and an IUD although i aught to find out i would hate to
be standing in front of my microwave with a VCR up my
tuckas, I thought a floopy disk was my diafram.
weres thoses heebz that wrote this act?

Isnt it hard beeing friends with coke heads? they
always say lets go somewere and we'll talk, what they
realy mean is lets go somewere and I'll talk and they
always grind there teeth I have friends who have
ground there teeth so fine they could snort there own
bycusbids.

For a long time a went looking for a new drug, a drug
that had my name on it, realy i thought one i serched
high i serched low i tried designer drugs. After all that
then you know how depressing it is when you find out
your drug is midol. Once i mixed midol with speed i
had my period six times in one day.

But i had to give up speed i started to understand what
chero was saying.

haha

weres those heebz that wrote this act??
