And I am all alone
There is no one here beside me
And my problems have all gone
There is no one to deride me

But you got to have friends
The feeling's oh, so strong
You got to have friends
To make that day last long

I had some friends but they're gone
Somethin' came and took them away
And from the dusk 'til the dawn
Here is where I'll stay

Standing at the end of the road, boys
Waiting for my new friends to come
I don't care if I'm hungry or poor
I'm gonna get me some of them

'Cause you got to have friends
Da, da, da, da, da, da, da, da, friends
That's right you, oh you, yeah you
I said, you gotta have some friends
I'm talkin' about friends, that's right, friends
Friends, friends, friends

I had some friends, oh, but they're all gone, gone
Someone came and snatched them away
And from the dusk until the very dawn, you know
Here is where I gotta stay, here is where I gotta stay

And I'm standing at the end of a real long road
And I'm waiting for my new friends to come
I don't care if I'm hungry or freezin' cold
I'm gonna get me some of them

'Cause you gotta have friends
That's right, friends, friends
I gotta me my, I gotta me my, I gotta me my
Look around and see all of my friends
Oh, friends, that's right, friends, friends

Friends, friends, friends, friends, oh
Friends, you gotta have friends
