Christmas future is far away  
Christmas past is passed  
Christmas present is here today  
Bringing joy that will last

Have yourself a merry little Christmas  
Let your heart be light  
From now on our troubles will be out of sight

Have yourself a merry little Christmas  
Make the Yuletide gay  
From now on our troubles will be miles away

Here we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more

Through the years we all will be together  
If the fates allow  
Hang a shining star upon the highest bough  
And have yourself a merry little Christmas now

Oh, and once again in as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Will be near to us once more

Someday soon we all will be together  
If the fates allow  
Until then will have to muddle through somehow  
So have yourself a merry little Christmas now
