I gave my heart to you, the one that I trusted.
You brought it back to me all broken and busted
so I sold my heart to the junkman
and I'll never fall in love again.

You took my heart because you thought you could use
it.

Just like a little toy you battered and bruised it
so I sold my heart to the junkman
and I'll never fall in love again.

Like a melodrama, in a simple manner,
love played the leading part.
We had planned a happy ending.
Now I'm left with a broken heart.

Ohhh, I'll throw away my pride and say we'll be friends,
dear.

Teardrops I just can't hide 'cause this is the end, dear.
I sold my heart to the junkman
and I'll never fall in love again.

Like a melodrama, in a simple manner,
love played the leading part.
We had planned a happy ending.
Now I'm left with a broken heart.

Ohhh, I'll throw away my pride and say we'll be friends,
dear.

Teardrops I cannot hide 'cause this is the end, dear.
I sold my heart to the junkman
and I'll never fall in love again.
No, I'll never fall in love again.
