Ooooooh
Ooooooh

Lookin' back over my years
I guess I've shed some tears.
Told myself time and again
this time I'm gonna win.

But another fight. Things ain't right.
I'm losing again.
It takes a fool to lose twice
and start all over again.

I think I better let him go.
Cuz it looks like another love TKO.
Let it go, baby.
I think I better let him go.
Cuz it looks like another love TKO. Ohh, yeah.

I tried to take control of the love.
He took control of me.
See you lose all thought and sense of time.
You have a change of mind.

Takin' the bumps and the bruises
and all the pain of a two-time lose.
And I try to hold on. My faith is gone.
It's just another sad song.

So I think I gotta
gotta let it go
I gotta let him go.
let it go, baby.
Cuz it looks like another love TKO.
Oh, yes it does, yes it does.

I think I gotta
gotta let it go
Mmmmmmm.

let it go, baby.
Cuz it looks like another love TKO.

Boy, whatcha want me to do? Can't stand up to you.
No no no no.

I try to take control of the love.
It took control of me.
See you lose all thought and sense of time.
You have a change of mind.

Taking the bumps and the bruises
and all the pain of a two-time lose.
Then I try to hold on. My faith is gone.
It's just another sad song.

I think I better
better let it go
I better let him go.
let it go, baby.
Cuz it looks like another love TKO.

Yeah, I better
better let it go
I gotta let him go.
let it go, Miss M.
Another love, love TKO.

Ooohhhh, boy you got me turned around and around
and around.
Around and around.
Everybody's got to cry sometime.
That's what they say. I heard them say.

Everybody's gonna cry sometime.
Mama says that they did, that they did.

liiiiiiiiiiiiiiiii . . .
