"Marajuana"

I wait alone here in the Mexican sunlight,
but the Mexican sunlight seems so lifeless and cold.
Sad and forlorn, I try to find consolation
with a man's desperation, I cannot withhold.

Soothe me with your caress
sweet marijuana. Oh, marijuana.
Help me in my distress
sweet marijuana, please do.

You alone can bring my lover back to me,
even though I know it's all a fantasy.
And then you must put me to sleep.
Sweet marijuana, please do.

You alone can bring my lover back to me,
even though I know it's all a fantasy.
And then you must put me to sleep.
Sweet marijuana, please do
