Sophie:

My Las Vegas Trip was a complete disaster
Findin' my life is ripped apart
Now I am just sad, oh yeah totally sad!

Bette:

Just wait until I'm sorted out
My lips cant handle this
I think back to all the memories we have had!
Just makin' me upset!

Chorus:

Viva Las Vegas
In Las Vegas!
Viva Las Vegas
In Las Vegas

Bette:

The city is amazing

But my lips aren't baby
Just knowing how to control my life almost
Makes me look dumb

Bette and Sophie:

VIVA LAS VEGAAAAS! OOH YEAH!
CMON! VIVA LAS VEGAS
JUST VISITING VIVA LAS VEGAS

Chorus:

Viva Las Vegas
In Las Vegas!
Viva Las Vegas
In Las Vegas!

Sophie:

Just saying my last words to you
Las Vegas is the name!
Viva Las Vegas
Instrumental
