Jimmy: wohow yeah

Betty + Jimmy: Can't you feel the love tonight?
Come on and do it to me one more time
Baby I know that you can make it right
Can't you feel the love tonight?

Can't you feel the love tonight?
Come on and do it to me one more time
Baby I know that you can make it right
Can't you feel the love tonight?

Jimmy: The summer's here, the sunshine is in the air
I look around, happy people everywhere

Betty: I feel like partying all the time
It's really all that I know
Yes I'll go on, 'cause I'm feeling fine
Betty + Jimmy: Join us now
