WRONG

Once I had it all
I know
But I let it fall down
The laughter in the room
Is running low
As I lay on the ground

There's nothing left to come home to baby
There's nothing left in my life
Remember, I had it all, yeah baby
I feel I'm living a lie

As long as it lasted I believed
The sun in my eyes was all you could see
I simply can't say where I belong
'Cause all that I know
I know it feels wrong

I know it feels wrong

Now the music is gone
I know
It was all that I feared
The loneliness I found
Says it all
It's confusing and weird

There's nothing left to come home to baby
There's nothing left in my life
Remember, I had it all, yeah baby
I feel I'm living a lie

As long as it lasted I believed
The sun in my eyes was all you could see
I simply can't say where I belong
'Cause all that I know
I know it feels wrong

I know it feels wrong

I know it feels wrong
