Ooh ooh ooh
I can't believe you've left me
Don't know that you've upset me
You just want to forget me,
Why don't you come and get me
And boy, I really miss you
And all I wanna do is kiss you
I've used up all my tissues
'Cause there's more serious of issues
I don't even know the reason
You were playin' and you were teasin'
Did they tell me you were leavin'
Those good looks are deceivin'
Ooh ooh ooh

Where are you baby,
We used to have so much fun
You drive me crazy,
Somebody tell me where he's gone

Where are you baby,
We used to have so much fun
You drive me crazy (ooh ooh ooh)

You're peepin' through the window,
This is too much for me to handle
Already caused a scandal,
A disturbance like a vandal
I've lost track of all time
'Cause you're always on my mind
And you're just that type of guy
That'll make me cry, oh why, oh why, oh why
Oh why has he disappeared,
This feeling is really weird
You're precious and you're dear
Can you feel the weight of these tears
Ooh ooh ooh

Where are you baby,
We used to have so much fun
You drive me crazy,

Somebody tell me where he's gone
Where are you baby,
We used to have so much fun
You drive me crazy (ooh ooh ooh)

Good goodbye, a good goodbye
A good good na na na na na na na na na na
Na na na na na na, na na na na na na now
Na now now now, now now now (ooh ooh ooh)

Where are you baby,
We used to have so much fun
You drive me crazy,
Somebody tell me where he's gone

Where are you baby,
We used to have so much fun
You drive me crazy (ooh ooh ooh)

You've really got a nerve
And all you wanna do is flirt
Love is just a word
That you tell to all your birds
Does it give you any satisfaction
To see the worst of one's reaction
And this has never happened,
It's my first love attraction
And what did I do to deserve this,
Some days I feel all nervous
Please use the telephone service
I hope today you hear this (ooh ooh ooh)

Where are you baby,
We used to have so much fun
You drive me crazy,
Somebody tell me where he's gone
Where are you baby,
We used to have so much fun
You drive me crazy (ooh ooh ooh)

Where are you, baby,
We used to have so much fun (ooh ooh ooh)
You drive me crazy,
Somebody tell me where he's gone (ooh ooh ooh)
Where are you, baby,
We used to have so much fun (ooh ooh ooh)
You drive me crazy,
Somebody tell me where he's gone (ooh ooh ooh)
