What if someone found you,  
with your feet up off the ground?  
No one there to listen,  
tuck you down.  
We could stay together,  
if only life was fair.  
We could live forever.

Do you care,  
that I fell,  
in despair?  
Do you mind,  
if I cried, one more time?

We were at a party  
when the stars came crashing down.  
Everyone was startled  
by the sound.

Do you ever wonder  
what its like to be up there?  
Heard a roll of thunder.

Do you care,  
that I fell,  
in despair?  
Do you mind  
if I cry, one more time?  
I got myself up off the ground.  
There are no crowds.  
It's just a silent sound.

Silent sound.

Violent sound.

I was at the party  
when the stars came crashing down.  
Everyone was startled  
by the sound.

We could stay forever,

if only life was fair  
We could die together.

Do you care,  
That I fell,  
in dispair?  
Do you mind,  
if I cry, one more time?

Can't you see,  
what your doin',  
to me?

Would you mind if I cried,  
one last time?
