

## Betty Davis "Talkin' Trash"

Visit "[Talkin' Trash](#)" on [MotoLyrics.com](#)

Talk trash to me I'll keep you hot and dry  
Talk trash to me  
I'll be your desert sun  
What you sayin what you sayin  
I said you can break every law with me  
Talk trash to me girl  
I'm yours I'm over 21  
Talk a little bit of trash to me  
Do whatever you want to do to me  
Talk trash to me baby  
Feel free I don't care  
Talk trash to me  
Tell mw what gets you off  
Talkin trash talkin trash  
Ahh run your fingers through my bushy hair  
I'll lay you down on the green grass  
I'll lift you up high as the sky now  
I'll make you feel strong  
Just like the north wind  
Then I will I will  
Talk trash to you baby till your head flies  
Talk trash to me  
Ahh anything that you want  
Talk trash to me  
I will give it to you  
Talk trash to me baby  
I'll be your good lovin lady  
What you sayin what you sayin  
I said I sho know how what to do for ya do for ya  
Talk trash to me  
I'll keep your days short  
Talk trash to me girl  
I'll make your nights long  
Talk a little trash talk a little trash to me

And when I'm through with you  
Talk trash to me baby  
Oh you'll be glad that you were born  
I'll lay you down on the green grass  
I'll keep you up yea high as the sky now  
I'll make you feel free  
Just like the north wind

Then I will I will  
Talk trash to you bay till your head flies  
Talk trash to me  
Ahh your just as fine as you can be  
Talk trash to me  
You got everything I need now  
What you sayin what you sayin  
Think it wish it will be yours  
Talkin trash talkin trash to me  
I'll give you everything I got and some some more  
Talk trash to me  
See other women I don't care  
Talk trash to me baby  
And when you snap your fingers I'll be right there  
Talk trash to me  
Now do you still want me to tell you the truth  
Will you mind if I tell you lies  
Answer me answer me sweet darlin  
Talk trash to me till my head flies  
I'll talk trash to ya  
I'll talk trash to ya baby  
I'll talk trash to ya till your flies
