When your babe leaves you all alone  
And nobody calls you on the phone

Don't you feel like crying  
Don't you feel like crying  
Like crying, like crying  
Come on, baby, cry to me

When you're all alone  
In your lonely room  
Whoa, when there's nothing  
But the smell of her perfume

Don't you feel like crying  
Don't you feel like crying  
Like crying, like crying  
Come on, babe, cry to me

Nothing can be so low  
Than a glass of wine alone  
Loneliness (loneliness)  
Loneliness (loneliness)  
It's a waste of time

Whoa, no, you don't ever  
I said you don't ever  
I know you don't ever  
Have to walk alone  
Can't you see

Aw, come on, baby  
Come on baby, come on  
Come on, come on, walk with me

When you're waiting  
For a voice to come  
Late, late, late in the night  
But there is no one

Don't you feel like crying  
Don't you feel like crying  
Like crying, like crying

Come on, babe, come on  
Come on, cry to me
