Dream on, little girl
Dream on, little girl
Dream on

I dreamed that I was Queen of France
And at a royal palace dance
I waltzed all night
With the Prince of Timbuktu

He praised my beauty to the skies
And when I looked into his eyes
I realized the Prince
Looked just like you

I dreamed that I was Queen of Spain
Sailing on the bounding Main
When a lofty pirate ship
Pulled into view

A handsome buccaneer so bold
Encaptured me and all my gold
I let him hold me 'cause
He looked like you

I dreamed I was Princess of Bombay
Inspecting my army one Monday
A thousand men came marching by
Each looked like you, each winked his eye
Gee, I wish I could have slept 'til Sunday

I dreamed that at my coronation
I shocked every foreign nation
Giving up my throne to marry you

'Cause I'd be queen of all the world
The day you say that I'm your girl
And every dream I dream comes true

I dreamed that at my coronation
I shocked every foreign nation
Giving up my throne to marry you

'Cause I'd be queen of all the world
The day you say that I'm your girl
And every dream I dream
Every dream I dream comes true
