Whispering, while you cuddle near me
Whispering, so no one can hear me
Each little whisper seems to cheer me
I know it's true, there's no one dear but you

You're whispering, why you'll never leave me?
Whispering, why you'll never grieve me?
Whisper and say that you believe me
Whispering, that I love you

You're whispering, why you'll never leave me?
Whispering, why you'll never grieve me?
Whisper and say that you believe me
Whispering, that I love you
