Over the valley
Voices are singing
Bells are a ringing
Dance, everyone, dance

Come to the valley
Run through the clover
Harvest is over
Dance, everyone, dance

Dance where the corn was high
Under a golden sky
Dance where the wine was born
Dance, everyone, dance

Whirl and turn about
Lift up your arms and shout
Join hands, skip along
Dance, everyone, dance

Turn left, turn right, hold tight
Lift your feet, the heart will follow
Lift your voice, fill the hollow
Spread your wings like the swallow
Fly away, greet the day
Dance, dance, everybody, dance

Dance, dance, dance, dance
Dance, dance, dance, dance

Come to the valley
Run through the clover
Harvest is over
Dance, everyone, dance

Dance where the corn was high
Under a golden sky
Dance where the wine was born
Dance, everyone, dance

Whirl and turn about
Lift up your arms and shout

Join hands, skip along
Dance, everyone, dance

Turn left, turn right, hold tight
Lift your feet, the heart will follow
Lift your voice, fill the hollow
Spread your wings like the swallow
Fly away, greet the day
Dance, dance, everybody, dance

Dance, dance, dance, dance
Dance, dance, dance, dance

Come to the valley
Run through the clover
Harvest is over
Dance, everyone, dance

Dance where the corn was high
Under a golden sky
Dance where the wine was born
Dance, everyone, dance

Whirl and turn about
Lift up your arms and shout
Join hands, skip along
Dance, everyone, dance

Turn left, turn right, hold tight
Lift your feet, the heart will follow
Lift your voice, fill the hollow
Spread your wings like the swallow
Fly away, greet the day
Dance, dance, everybody, dance

Everybody, dance
