[CHORUS]

There should be rules

Protecting fools

Who fall in love

The way I fell

When I met you

That certain day

[REFRAIN]

I should have known

Your heart of stone

Would play at love.

Then in a while

You'd sort of smile

And go your way.

[Repeat CHORUS]

But of those rules

Would never work for fools

[Repeat REFRAIN]

[Repeat CHORUS]

One of those rules

Would never work for fools

Like me

My heart will yearn

For your return.

Come back my love.

For I'm the fool

Your love will rule

Eternally.
