I had the craziest dream last night, yes I did
I never dreamt it could be, yet there you were in love
with me
I found your lips close to mine so I kissed you
And you didn't mind it at all
When I'm awake such a break never happens
How long can a gal go on dreaming?

If there's a chance that you care, then please
Say you do, baby
Say it and make my craziest dream come true

I had the craziest dream last night, yes I did, yes I did
I never dreamt it could be, yet they were, they were in
love with me
I found your lips close to mine so I kissed you
And you didn't mind it at all
When I'm awake such a break never happens
How long can a gal go on dreaming?

If there's a chance that you care
Then please, say you do, darlin'
Say it and make my craziest dream come true
Say it and make my craziest dream come true
