This is just a phase they say,
It'll wear off.
I come to you now as myself.
This is everything I never wanted.
You wanted it more,
You never wanted this,
This fucking phase.
Every day I feel more lost
Then I did the day before.
Why can 't I shake this?
It's just not my style
You know I know that this someday will subdue.
To rip the scars
Just to form the new.
You won 't have it,
To sit and wait for your time to come.
I'll sit and wait, for my time.
I 'll sit and wait, for my time.
And you know how this feels
When your down and out
And you know how this must feel.
Ending, Beginning, Ending, Beginning.
This is just a phase they say,
It'll wear off
I come to you now as myself
I'll sit and wait for my time.
I'll sit and wait for my time.
