Feeling lost
Like you just don't belong,
Well have no fear
Cause that will fade away.
And then you'll know
Just what to expect,
For yourself
And in the end
It will not matter.

So take this time
To redefine yourself, (to redefine yourself)
Understand that this can come to an end.
(come to an end, come to an end)

So your looking at
A perfect mirror image
Staring at yourself
But you don't recognize it,
Well it will come into your world,
When you least expect it,
It will knock you to the ground.

So take this time
To redefine yourself, (to redefine yourself)
Understand that this can come to an end.
(come to an end, come to an end)

Now I know that I'm done. (I'm done)

So take this time
To redefine yourself,
And understand
That this can come to and end..
(can come to an end)

So take this time
To redefine yourself,
To redefine yourself.
