Don 't let me fall asleep tonight,
Cause I'm not sure that I'll wake up
I can barely hear you,
Breath those words tonight,
That break my heart.
So just go
And let me believe in everything you say,
For tonight I'll stay here
Just call me when you get back.
And if not you know I'll do it anyway
Come twelve fifteen,
I can't sleep
Till I hear you your voice too, tonight.
So just go
And let me believe in everything you say,
For tonight I'll stay here
Just call me when you get back.
So I go and take this chance again,
And I know it's what I want but can't have,
Doing it over and over again.
And He And I know I'll be so happy.
So I go again, Try this one more time.
So just go
And let me believe in everything you say,
For tonight I'll stay here
Just call me when you get back..
(don't let me fall asleep
Tonight is everything I have)
I know that in time it will be fine,
You know that I was,
I was right tonight.
