All, everything I have is for you

Kevin:

My name is Kev and I like the  
Type of girl who can love me for me  
A type of girl who I can hold in my  
Arms and give her all that I have to give  
And if you're that type of girl  
Then you're getting all of my love(my love, my love)  
That's right baby

Brian:

'Cause I'll be rockin' your house

Somebody who's gonna be smart  
A girl who even likes to even go to school
