(participating artists are: Backstreet Boys, 'N SYNC, Captain Jack, Mr. President and Masterboy)

?: Children need a helping hand
Nick: Children need a promise land
?: Let the children feel again
?: That love is alive
All: Children need a helping hand
Children are so innocent
Make this world a wonder land
So give us a sign (So give us a sign!)

?: Children have a heart of gold
?: Sometimes they feel alone and sold
Brian: They need someone to be around
All: Reach out, a helping hand
?: Many children don't know what to do
?: 'Cause no one's there to guide them through
JC (*N Sync): We are living in a world so cold
?: That makes them sad and sold
They need a helping hand

All (Chorus): Children need a helping hand
Children need a promise land
Let the children feel again
That love is alive (That love is alive)
Children need a helping hand (Day by day)
Children are so innocent (Show them the way)
Make this world a wonder land (Join us and sing)
So give us a sign (So give us a sign!)

?: Children need a helping hand
We all are called to changed
Into a world of hope
: Without war and without pain

?: Children do have fantasies
Mr. President: Their thoughts are far away and free
?: Dreaming of a wonder land
They live (All: in a children's world)
Brian: If we could live in perfect harmony

JC (*N Sync): Their wonder land could be reality
Nick: Without war and without pain
Captain Jack: And no one dies in vain
That's the promised land

All (Chorus): Children need a helping hand
Children need a promise land
Let the children feel again
That love is alive (That love is alive)
Children need a helping hand (Day by day)
Children are so innocent (Show them the way)
Make this world a wonder land (Join us and sing)
So give us a sign (So give us a sign!)

Masterboy: Children want to find their own way
Getting stronger day by day
Captain Jack: Children have a heart and soul
Don't let them live without a goal
Mr. President: Children make the world go round
Don't destroy what they have found
DJ BOBO: Set an example be consequent
Be confident with a helping hand

All: Children need a helping hand (Give them a helpin'
hand)
Children need a promise land (Show them the way)
Let the children feel again (Need a helping hand!)
That love is alive
?: Children need a helping hand
Children are so innocent
?: Make this world a wonder land
So give us a sign (All: So give us a sign!)
