Everybody knows that I was such a fool to ever let go of  
you  
Baby I was wrong  
Yeah I know I said we'd be better off alone  
It was time that we moved on  
I know I broke your heart, I didn't mean to break your  
heart  
But baby here I am

Banging on your front door  
My pride spilled on the floor  
My hands and knees are bruised and I'm crawling back  
to you  
Begging for a second chance  
Are you gonna let me in?  
I was running from the truth and now I'm crawling back  
to you

I know you're in there and you can make me wait  
But I'm not gonna wait  
It's the least that I can do, just to tell you face to face  
I was lying to myself, now I'm dying in this hell  
Girl I know you're mad, I can't blame you for being mad  
But baby here I am

Banging on your front door  
My pride spilled on the floor  
My hands and knees are bruised and now I'm crawling  
back to you  
Begging for a second chance  
Are you gonna let me in?  
I was running from the truth and now I'm crawling back  
to you

If you could see these tears I'm crying  
Touch these hands that can't stop shaking  
Hear my heart that's barely beating  
You will see a different man

But baby here I am  
Banging on your front door

My pride spilled on the floor  
My hands and knees are bruised and I'm crawling back  
to you (come on)  
Begging for a second chance  
Are you gonna let me in? (let me in)  
I was running from the truth, now I'm crawling back to  
you

Banging on your front door (darling)  
My pride spilled on the floor  
I was running from the truth, now I'm crawling back to  
you, yeah  
Now I'm crawling back to you  
Crawling back to you  
Crawling back to you  
Crawling back to you
