From this moment life has begun
From this moment you are the one
Right beside you is where I belong
From this moment on

From this moment I have been blessed
I live only for your happiness
And for your love I'd give my last breath
From this moment on

I give my hand to you with all my heart
Can't wait to live my life with you, can't wait to start
You and I will never be apart
My dreams came true because of you

CHORUS

From this moment as long as I live
I will love you, I promise you this
There is nothing I wouldn't give
From this moment on, oh

You're the reason I believe in love
And you're the answer to my prayers from up above
All we need is just the two of us
My dreams came true because of you

CHORUS - Repeat

I will love you (I will love you)
As long as I live
From this moment on
