Nick:

Baby Wipe your eyes
Cause I don't want to see you cry
I don't want you thinking I'm a bad guy
Sometimes I say some things
That I don't really mean
The last thing that I want is you mad at me
I know I know what I got to do
To get a get a smile out of you
Make my lips touch my nose
Cross my eyes until I go blind
Before I go blind

Backstreet Boys:

Every time I think your sad I just make a funny face
(Make a funny face yeah)
Even when I make you mad I put on my funny face
(On my funny face)
I like it when you smile (I like when you smile)
I love it when you laugh (I love it when you laugh)
I love it when you do it to so let me see your funny face
(yeah)

Nick:

It tickles me to see your trying not to laugh at me
'Cause we both know your not as tough as you seem
I know you want to laugh (come on)
I know you want to laugh (come on)
I know you want to laugh come on
Laugh with me come on

Backstreet Boys:

Every time I think your sad I just make a funny face
(Make a funny face yeah)
Even when I make you mad I put on my funny face
(On my funny face)
I like it when you smile (I like when you smile)

I love it when you laugh (I love it when you laugh)
I love it when you do it to so let me see your funny face
(yeah)

Nick:

You stick your tongue out
I stick mine out too
You roll your eyes
And I laugh at you
You say I hate you
I say I love you (yeah, yeah, yeah)
No matter what you do I can't stay mad at you
And you can't stay mad at me
So what we going to do
Make a funny face

Backstreet Boys:

Every time I think your sad I just make a funny face
(Make a funny face yeah)
Even when I make you mad I put on my funny face
(On my funny face)
I like it when you smile (I like when you smile)
I love it when you laugh (I love it when you laugh)
I love it when you do it to so let me see your funny face
(yeah)
