Aah, Backstreet  
Yes yes y'all  
One time, here we go (yes yes y'all)  
Ooh, ooh (2X)  
Yes yes y'all

I could tell when I stepped in the room  
And I saw you standing there  
And about by the way that you moved  
I couldn't help the way I stared  
There were some mysterious force  
Leading me here to you  
Lead me (leading me) to you (to you)  
So I stood there watching  
And I was hypnotised  
By the rhythm of your body  
And the music in your eyes  
And I was lost inside you world with you  
Ooh, ooh, ooh...

Chorus:  
Hey Mr. DJ keep playin' this song for me  
Out on the floor in my arms, she's gotta be  
Let's get it on (let's get it on)  
Jam all night long  
Mr. DJ, Mr. DJ  
Will you play it for me?

Ooh, ooh (2X) (yes yes y'all)  
Now it feels like it could be romance  
As we dance across the floor  
Every move that your body makes  
Only makes me want you more  
And it seems like time's moving fast  
How can we make it last?  
Make it (make it) last (last, so long)  
As we keep on dancing  
I am hypnotised  
By the rhythm of your body  
And the music in your eyes  
And I was lost inside you world with you

Ooh, ooh, ooh...

Chorus

Close your eyes (close your eyes)  
And just imagine this alone  
Let the music put you in a zone  
Are you lost in, lost inside of, lost inside of me  
Why do you do the dance you do  
Come on and work your body, work your body

Hey Mr. DJ, jam all night long  
Hey Mr. DJ play that song for me  
(2X)

Chorus to fade

Keep it coming Mr. DJ... (repeat to fade)
